Re: Fall 2026 Tuition Balance Due

Dear Avery Quillon,

Our records show an unpaid balance on your student account for the Fall 2026 term. Your outstanding tuition balance is $2,340.00.

Payment in full is due by November 20, 2026. You can pay online through the Student Account Portal or in person at the Office of Student Accounts.

If payment is not received by November 20, 2026, a $50.00 late fee will be added to your account and a registration hold will prevent you from enrolling in Spring 2027 classes.

If you believe this balance is incorrect, contact the Office of Student Accounts.

Sincerely,
Office of Student Accounts
